

INTRODUCTION

These guidelines are established to ensure a safe, clean, and harmonious living environment for all residents and tenants. All residents, tenants, and visitors are expected to strictly adhere to these rules. Residents are requested to guide their visitors accordingly. These are general guidelines which are documented and are in addition to the society by-laws, sale deed rules & resolutions passed in previous GBMs. The Committee reserves the right to take decisions based on the sensitivity of each situation.

 All owners and tenants are expected to follow these guidelines to ensure a safe, clean, and harmonious living environment and to uphold the society's standards and reputation.

1. Society Governance & Management

1.1 Society Management Team

Society Management is structured into three groups: Core Committee, Advisory Committee, and Extended Team.

Core Committee: Responsible for overall governance, administration, and smooth functioning of society

1.2 Maintenance Manager

The support staff is managed by the maintenance manager, who oversees - Electrician, Plumber, Security personnel, housekeeping staff and gardener. He ensures smooth operation of the day to day activities.

Contact Details

- Maintenance Manager: **9704285706**

Available during working hours from 09:00 AM to 6:30 PM. Residents may contact for all maintenance-related issues during the above mentioned timings.

- Security ASO: **9030493579**

ASO can be reached out during nights for immediate assistance and also for coordinating any Plumbing / electrical issues with help of support staff during night hours.

1.3 Support Staff – Roles & Scope of Work

1.3.1 Security Personnel

- Monitor and manage check-in / check-out of all persons and vehicles at entry and exit gates.
- Verify visitor identity and purpose of visit; ensure visitors follow the gate entry process (Gate 1 for visitors, Gate 2 & 5 for residents).
- Maintain the visitor register and vehicle movement log.
- Coordinate with the Maintenance Manager for any security-related incidents or concerns.
- Respond to fire and medical emergencies as the first point of contact during non-working hours; alert emergency services and Core Committee members as needed.
- Conduct periodic rounds of the premises including cellars, corridors, and common areas during night hours.

Resident Responsibilities:

- Cooperate with security personnel during entry/exit checks without exception.
- Pre-inform Security ASO and Maintenance Manager when expecting large gatherings or external visitors.
- Do not instruct or assign security staff tasks outside their designated duties.
- Support security staff in performing their duties – they are acting in the interest of all residents' safety.

1.3.2 Electrician

- Maintain and repair all common area electrical infrastructure, including corridor lighting, cellar lights, lift power supply, DG connections, motor panels, and common facility wiring.
- Attend to electrical faults up to the MCB (Miniature Circuit Breaker) of individual flats – i.e., from the common electrical panel to the flat's MCB point.
- Conduct periodic inspection of common electrical panels, switchboards, and DG-related wiring.
- Support during power outages by managing DG operations and restoring supply.

Shweta Shubham Flat Owners Cooperative Maintenance Society Ltd

Exclusions (Not in Scope):

- Any electrical work inside individual flats (beyond the MCB point) is not covered.
- Repair or installation of personal appliances, fixtures, or wiring inside flats.
- Residents must engage their own licensed electricians for internal flat electrical work.

1.3.3 Plumber

- Operate and maintain common water infrastructure – including WTP (Water Treatment Plant), STP (Sewage Treatment Plant), drainage systems, and overhead water tanks.
- Monitor water levels, pump operations, and pipeline systems across the society.
- Attend to leakages and blockages inside individual flats on a best-effort basis during working hours.
- Handle common area plumbing issues such as cellar drainage, rainwater harvesting systems, and external pipeline repairs.

Exclusions (Not in Scope):

- Tap repairs, faucet replacements, or fixture installations inside individual flats are not covered.
- Internal bathroom/kitchen plumbing modifications or renovations.
- Residents must engage their own licensed plumbers for such work.

1.3.4 Housekeeping Staff

- Sweep, mop, and maintain cleanliness of all common areas including corridors, staircases, lobbies, lifts, reception area, and clubhouse.
- Clean and sanitize shared amenities – gym, swimming pool surroundings, indoor games room, yoga room, and amphitheater.
- Clean and maintain guest rooms, including changing bedsheets and towels between bookings.
- Maintain cleanliness in cellars, parking areas, and driveways.
- Ducts and Cobweb cleaning across common areas in the building

Exclusions (Not in Scope):

- Housekeeping staff shall not be engaged for cleaning or domestic work inside individual flats.
- Personal errands, grocery carrying, or shifting assistance inside flats is not within their scope.

Shweta Shubham Flat Owners Cooperative Maintenance Society Ltd

1.3.5 Gardener

- Maintain all common area landscaping including lawns, flower beds, hedges, potted plants, and tree lines across the society premises.
- Regular watering, pruning, trimming, and seasonal planting as per the maintenance calendar.
- Maintain tot-lot green areas, walkway plants, and entrance landscaping.
- Apply fertilizers, pesticides, and soil treatment for common area greenery as needed.

Exclusions (Not in Scope):

- Gardening or plant maintenance inside individual flats, balconies, or terraces is not covered.
- Personal plant purchases, potting, or balcony garden setup is the resident's responsibility.

General Notes

- Support staff shall not be engaged for personal work inside individual flats beyond the defined scope.
- Residents are requested to treat all support staff with dignity and respect. They are valued members of our society's ecosystem, working to ensure a safe and comfortable living environment for everyone. Courteous and respectful interaction is expected at all times.
- Any misconduct or complaint regarding support staff should be reported to the Maintenance Manager or Core Committee.
- Any form of verbal abuse, intimidation, or disrespectful behaviour towards support staff is strictly unacceptable and may be escalated to the Core Committee.

1.4 Suggestion Box & Support

- Suggestion box is available at the reception. Residents are encouraged to submit suggestions or complaints.
 - Contact the society office for maintenance support during working hours.
 - In emergencies, contact any Committee Member.
 - Committee Members may be available at the office on weekends.
-

2. Financial Obligations

2.1 Maintenance Charges & Payments

- Maintenance charges are collected quarterly and payable only through NBH.
- All dues must be cleared by the **15th during the first month of the payment quarter.**
- Late payments will attract a daily penalty; continued delay may impact maintenance services.
- Three notices will be issued, after which the flat will be marked as a defaulter.
- The Maintenance Manager is available for any assistance if there are issues with NBH payment

2.2 Move-In / Move-Out Charges

- ₹1000 charged each for move-in and move-out. Applicable only for Tenants

3. Security & Safety

3.1 Security and Main Gate

Features / Amenities	Rules & Instructions
- Automatic boom barrier for vehicle entry at Gate 2 - Gate 2 Access for vehicles is enabled after vehicle registration details are submitted at the society office with relevant documentation. - CCTV surveillance across Shweta Shubham Premises. - Dedicated entry/exit gates - Gate 3 and Gate 5 – Exit Only - Gate 1 – Vendors and Guest Entry - Gate 2 – Residents entry only	- Register vehicle details with the society office for automatic access. - Cooperate with security personnel during Entry/Exit checks. - Guests must use Gate 1 for entry. Gate 3 and Gate 5 is Planned only for exit. - Do not misuse entry/exit lanes. - For any concerns, contact the Security Manager. - All residents are supposed to have the society sticker affixed on their Personal vehicles for identification and security purpose.

3.2 Fire and Safety

Features / Amenities	Rules & Instructions
- Fire extinguishers are available on every floor near the lifts - Fire alarm systems are installed in each block adjacent to the lifts - Fire-sensitive sprinkler systems are installed in Cellars -1 and -2 - Lightning arresters on rooftop	- Use fire extinguishers only in case of fire emergencies. - Fire alarms should be used strictly for emergencies (Fire / Health). The security at main gate shall be notified about the alarm trigger block. - Misuse will attract penalties.

Shweta Shubham Flat Owners Cooperative Maintenance Society Ltd

3.3 Power Backup

- In the event of a power outage from the electricity department, DG (Diesel Generator) power will be supplied to all flats.
- The DG operates with limited capacity and supports essential loads only – specifically up to 2 lights, 2 fans, and 1 internet point, as provisioned by the builder.
- DG usage involves fuel costs, and residents are requested to use power judiciously during outages.
- Power points supported under DG are as per builder design, and additional load connections are not supported/provisioned.

3.4 Emergency Contacts & Escalation Matrix

Contact	Number / Details	Availability
